- **January 7th is the SCHOOL WIDE deadline for late work, test makeups, and test retakes for quarter 2.**
 - Late work deadlines for each class will now be at the end of the unit. Late work deadlines will be announced on Canvas homepages, the Friday checklist, on the board in the classroom, and through a Skyward email.
- **Students have been having issues accessing assignments through the “To Do” list on Canvas.** If students encounter a “no preview” page, please have them **access the assignment through the module** instead.
 - The **RI (reading inventory)** will be Monday, 12/14.
Please avoid missing class that day.
 - The **MI (math inventory)** will be Tuesday, 12/15 through Wednesday, 12/16.
Please avoid missing class on those dates.
- **It is imperative that students are charging their Chromebooks in the evenings.** There are not enough seats in a classroom to move students against a wall to plug into an outlet. Moving students all over the room makes contact tracing VERY difficult. **Please help teachers out by reminding your student to charge their Chromebooks at night.**

Thank you!

 - Teachers will have set office hours of 12:30pm-2:30pm on Fridays.
If you need to schedule a Google Meet or Zoom call with a teacher, please email them.
