Questions? You can contact your teachers during Office Hours (12:30pm-2:30pm)

Parent Guidelines for Continue Learning Fridays

- There are no LIVE lessons on Fridays. Students will work independently on these assignments at their own pace.
- Students should be spending approximately 30 minutes per class.
- Detailed instructions for these online assignments can be found on individual Canvas course pages.
- Teacher contact information should be on the teacher's Canvas homepage. It can also be found on Albion Middle's website.
- Teacher Office Hours (12:30pm-2:30pm) are for fielding questions. It is **NOT** required for your student to contact a teacher. Emails will be answered ASAP during these hours.
- This checklist (provided to students on Thursdays) contains items for ALL elective classes. Obviously, students only need to complete the assignments for the classes they are enrolled in.
