

Albion Middle School - Peer Tutoring Application

Student Name: _____ Grade Next Year: _____

Do you have experience working with students with special needs? YES NO

Do you have a positive attitude about school and do you like to help others? YES NO

-Being a peer tutor allows students with and without special needs to support one another throughout the school day. This may include support during a general education class, special education class, and/or during lunch time. It's a wonderful opportunity to learn and share your strengths and challenges while at the same time building connections with a great group of students.

Write a DETAILED paragraph describing why you believe it is important to help others. What are the benefits of helping others?

-This application must be attached to your course selection card-

Fillable PDF version can be dropped off to the main office or emailed to:
