Friday's Fun Fact

A Greek-Canadian man invented the "Hawaiian" pizza.

"There will always be fierce debates over whether or not pineapple has any place on a pizza, but there's no question about where the Hawaiian pizza originally came from: Chatham, Ontario, Canada! Restaurant owner **Sam Panopoulos** was born in Greece but moved to Canada when he was 20 years old. And in 1962, the entrepreneur decided to put pineapple on pizza"
